

Hope Point Staff, Elders, & Spouses

This past October, the Hope Point staff, elders, and spouses enjoyed a Lead Like Jesus Encounter Leadership Workshop and we want you to experience it too. Here's what one of our elders had to say about the workshop:

"I was so impressed with Lead Like Jesus. As a corporate trainer myself, I learned a lot that I'll be able to apply not only within the church, but also in a secular learning environment. I can't wait to try it out!"

Lead Like Jesus is a global leadership development organization that promises a leadership model that transforms you and those you influence. Our proven methodology is based on the model of Jesus, focusing on heart-centered, transformative leadership that equips leaders to effectively impact their own spheres of influence. Lead Like Jesus does not run other ministries, businesses, schools, families, churches or nonprofits, but we teach leaders who do, so that God is glorified!

Encounter

An Encounter is a special leadership workshop that Hope Point will be providing. We believe leaders define culture, and part of our leadership development strategy is to provide relevant and on-going opportunities for leaders to grow and be challenged. This Encounter will put you face-to-face with other Hope Point members, providing the opportunity to dialogue and engage with one another, collaborating on how to grow personally as leaders and disciples.

We hope you will prayerfully consider joining us for this Encounter. Event and registration details are on the back of this page. If you have questions, please call on us.

ABOUT THIS WORKSHOP

Throughout the Lead Like Jesus Encounter you will explore effective and practical ways to live your faith at work, home and in all relationships. You will dig deep into scripture and examine the perfect and powerful leadership principles that Jesus modeled in everyday life. Whether you lead a corporation, church or a family, Lead Like Jesus will transform your life and the lives of those you touch.

WHAT DOES LEADING LIKE JESUS MEAN?

Leadership happens anytime we influence the thinking, behavior or development of another. Leading like Jesus is not based on position or power. It's not solely dependent on skills and knowledge. It's a love-based leadership model built on the foundation of an individual's character, integrity and on the power of relationships. It recognizes Jesus as the greatest Leader of all time and applies His way of impacting and empowering others to reach their God-given potential.
